208 The Northumbrian Pipers' Tunebook by Forster Charlton, Colin Ross and Roland Wright.

This book is a little confusing in its publication history. The present writer has one that is called the 'Third Impression 1985'. On the reverse side of the title page it lists the publication history as follows:

First Edition	1936
Second Edition	1970
Second Impression (Rev)	1978
Third Impression	1985.

On the Northumbrian Pipers' Society's website they advertise a 'Third Edition' and the list of tunes is the same as Third Impression with some new tunes added and some removed. There is no date given.

There is no doubt that successive generations of the Northumbrian Pipers' Society's considered the *Northumbrian Pipers' Society Tune Book* of 1936 (no. 206 above) to be edition I and that this book (208) to be a new one.

With this new information the present writer has decided to move all information relating to this book to 206 above.
