---

**1980 The MacAlester Collection of Highland Bagpipe Music** by Rick Mohr.

1 1980

p [i], title; p [ii], colophon; p [iii], preface; p [1], contents; pp 2-52, tunes (54).

The writer has only ever seen a photocopy of this book and the description here may not be accurate. In the preface the compiler states he wrote a computer programme to produce the music and in 1980 was probably the first person to do so.
