This book has been placed ahead of edition 2 because the price is lower but it can be dated after edition 1 because of the Canadian address. There is an advertisement inside the rear cover for William Sinclair and Son, 14 Dock Street, Leith. This address changed to 1 Madeira Street in 1946 (see *Highland Bagpipe Makers* by Jeannie Campbell page 133).

Bill McInnes, Australia.

Bill McInnes of Australia purchased this book in 1957 and thanks are expressed for permission to use the above image. Once again it is assumed the higher price indicates a later publication date but as it too has the same advertisement as edition 1a, can be dated between 1937 and 1946.
